Legatics' Barriers to Legal Adoption report [<https://events.legatics.com/barriers-to-legal-tech-adoption-lp>] – a review of the legal industry's expectations that technology will completely transform the delivery of legal services and what we have seen in practice.

Technology and Innovation in Legal Services [<https://www.sra.org.uk/sra/how-we-work/archive/reports/technology-innovation-in-legal-services/>] . We conducted a research project with the University of Oxford to look at development of innovation and technology in the legal services market. Our aim with this work is to increase our understanding of innovation and technology in legal services, and identify areas where we can help development by reducing any barriers and supporting further growth.

We also produce risk reports:
