Experience Evidence Form

Application for recognition of experience under Regulations 5, 9 and 10 of the Qualified Lawyers Transfer Regulations 2009

The Solicitors Regulation Authority (SRA) was established by the Law Society in January 2007 to regulate solicitors admitted in England and Wales (E & W). It is independent and regulates in the public interest. The SRA deals with all regulatory and disciplinary matters. We set, monitor and enforce standards for solicitors admitted in E & W.

How to use this form:

Before completing this form, applicants should read the document 'Completing the application to transfer under the Qualified Lawyers Transfer Regulations 2009'

Applicants should submit an original QLTR Experience Evidence Form from <u>each</u> organisation in which they obtained experience. The QLTR Experience Evidence Form(s) should be submitted with their QLTR Application Form. Please note that we <u>do not</u> accept photocopied forms.

This form should be completed and signed by the applicant and the supervisor at the organisation where experience has been gained. Please note that if the supervisor completing this form is no longer employed by the firm at which the applicant's experience was gained, the applicant must also enclose a letter from the organisation's HR department confirming their dates of employment.

Step 1: Sections 1 and 2 should be completed by the applicant.

Step 2: Sections 3,4 and 5 should be completed by the supervisor at the organisation where the experience was gained.

Please note that in order for us to properly assess an applicant's level of legal experience, the supervisor completing the form <u>must</u> separate the applicant's experience into distinct areas of legal specialism, for example Commercial and Corporate Law are two distinct specialisms and would not be grouped together. If we are unable to distinguish separate legal specialisms, the application will be delayed by referral to an external adjudicator.

Once the supervisor has completed sections 3,4 and 5 of the form and signed the form, they should attach a covering letter on the organisation's letter headed paper.
