What we do

We regulate all solicitors and most law firms in England and Wales.

We protect and help the public by making sure:

- solicitors and law firms meet our high standards

- we take action against solicitors who don't follow our rules - for instance, by taking someone's money or acting dishonestly
- people can get their documents and money back, if, for example, a law firm shuts down suddenly.

off at SDT

Taking action in cases of serious misconduct

We can prosecute solicitors and firms at the independent Solicitors Disciplinary Tribunal (SDT). It can issue fines and suspend or even strike off solicitors.

Interventions

We can close down firms where there is a serious risk to their clients and the public.

SRA fines

We can fine solicitors and firms and set limits on what work they can do.

Compensation fund

We manage a discretionary fund that can help return money to people who have lost it due to a dishonest solicitor. Learn more about our [discretionary fund](https://www.sra.org.uk/consumers/problems/claim-papers/) [https://www.sra.org.uk/consumers/problems/claim-papers/].

Opening up legal services

Check a solicitor is who they say they are

The [Solicitors Register](https://www.sra.org.uk/consumers/register/) (<https://www.sra.org.uk/consumers/register/>) allows you to check:

- if we regulate a solicitor or law firm
- contact details for them
- whether we've closed down a firm
- if there are any disciplinary decisions against a solicitor.

Just over 1.7 million checks took place this year.

Logo to show we regulate a law firm

All law firms we regulate must show our [clickable logo](https://www.sra.org.uk/consumers/choosing/look-out-for-our-logo/) on their websites. It shows the public that the firm must:

- follow our rules
- keep your money safe
- have professional insurance.

Clearer information on price and services

Law firms must [publish prices and more information](https://www.sra.org.uk/consumers/choosing/price-advice/) about some commonly used legal services, such as:

- buying a house
- dealing with an estate when someone dies
- employment issues.

This should help people choose which legal service is best for them.

Encouraging innovation and technology

We are working to [encourage innovation in the legal sector](https://www.sra.org.uk/solicitors/resources-archived/sra-innovate/). This includes supporting technology that could improve access to legal services for people from all communities.

Helping people through Legal Choices

[Legal Choices](http://www.legalchoices.org.uk/) is a website that helps people who think they might have a legal problem with next steps and getting the support they need. Last year, the website attracted more than a million visits, while people watched Legal Choices videos more than a million times on Facebook, YouTube and elsewhere.

How we can help you

Talk to us (<https://www.sra.org.uk/contactus/>) if you think a solicitor has:

- taken or misused money
- acted dishonestly
- suddenly closed down their firm or stopped helping someone
- **not met our standards of conduct.** (<https://www.sra.org.uk/consumers/who-we-are/sra-regulate/>)

The [Legal Ombudsman](http://www.legalombudsman.org.uk) [http://www.legalombudsman.org.uk] is also available if someone is unhappy about the work their solicitor did for them or their bill.
